

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

JON HART,

Plaintiff(s),

No. C 07-6350 PJH

v.

ORDER

COMCAST OF ALAMEDA, INC., et al.,

Defendant(s).

The court has reviewed and approved the stipulation and proposed briefing schedule regarding defendants' motion for judgment on the pleadings and plaintiff's motion to remand. The court advises the parties, however, that the court will determine after reviewing the motion papers whether to proceed with the hearing on both motions on June 18, 2008. A finding that remand is appropriate would obviate the need for the court to resolve defendants' motion, and it would not be heard.

IT IS SO ORDERED.
